

"BIG TIM" WINS \$2,000 AT POKER

Sullivan—the Large One—Entertains His Friends on the Steamer Grand Republic and They "Pay the Piper."

CONSIDINE, PADDEN AND DAVIS THE LOSERS.

Game Started on Way to College Point and Becomes So Interesting Is Kept Up After Arrival at Grounds.

"Big Tim" Sullivan is just \$2,000 better off to-day than he was yesterday, in spite of the fact that his chowder bill footed up considerably. Yesterday he entertained 30,000 hungry and thirsty men at College Point in Donnelly's Grove.

The account to the credit side of the representative was won in a game of poker which began on board the steamboat Grand Republic, which was one of the boats which conveyed the Sullivan and his friends to the chowder grounds.

DOG ATTACKS BRUTAL FATHER

Mongrel Befriended by Little Girl Bites Frank Kabisch Several Times When He Beats and Kicks His Child.

Guarded by Tige, a mongrel dog, she had befriended, little May Kabisch was found in the doorway of a store at No. 771 Eleventh avenue, her ankle broken, her eye blackened, her frail body covered with bruises and large lumps on her head, where she had been beaten with a broomstick.

She was found by Agents Fogarty and Kelly, of the Society for the Prevention of Cruelty to Children. It took them some time to show Tige that they were friends, and later they learned that the dog had fought for the girl and had bitten her father several times when he was beating her.

When taken to the society's rooms the child was too much afraid of her father to tell where he could be found. She said he would kill her if she told. On investigating in the neighborhood they learned that Frank Kabisch had complained of having been bitten by the dog and had gone to Roosevelt Hospital for treatment. He gave his address at the hospital, and was found by the agents at No. 424 Eleventh avenue.

WANT WARRANTS FOR ARREST OF CLYDES

New York Owners of Steamship Company Accused in Case of Killing of J. R. Kirkpatrick—Property to Be Attached.

JACKSONVILLE, Fla., Sept. 8.—In a suit for \$20,000 damages in the United States Court against the Clyde Steamship Company for alleged negligence and carelessness, resulting in the death of J. R. Kirkpatrick, the administrator of the estate of the deceased asked for warrants of arrest against William P. Clyde and B. F. Clyde, of New York, owners of the Clyde Steamship Company. As they are out of the jurisdiction of the court attachments against the property of the company will be issued.

IN STATE TREASURY, \$1.56.

JACKSON, Miss., Sept. 8.—The State of Mississippi has in its treasury \$1.56. Much doubt is expressed in financial circles whether a firm of New York and Chicago brokers who recently purchased a State bond issue of \$500,000 will pay for them, and the banks of the State seemingly are unwilling to advance money for immediate use. No payment of taxes are due for thirty days and a proposed special session of the Legislature could not bring relief within that period.

IF COURT UPHOLDS SUIT FOR DAMAGES DONE BY "SINKERS," HERE ARE A FEW THINGS WE MAY SEE, ACCORDING TO FLINN.

KILLS HIMSELF IN BATTERY PARK

Penniless and Despondent, a Man Crawls Into Clump of Bushes and Fires Bullet Into His Head.

Penniless and despondent, an unknown man of about forty-three years crept inside the chain surrounding the Aquarium in Battery Park to-day, lay down in a clump of bushes and fired a shot from a revolver into the right side of his head, killing himself instantly.

The shot was heard by hundreds of persons in the vicinity, including Police-man Miller, of the Church street station. Miller sent in a call for an ambulance, and Dr. Towell, of the Hudson Street Hospital, responded. He said death had been instantaneous.

There was no clue to the identity of the man, the only objects found on his person being a watch and a ring. He was poorly dressed, but had recently been shaved. The evidence seemed to indicate that he had reached his last dollar, was out of luck and gave up the struggle for existence.

The parrot was for a watch and a number of trinkets of little value. They indicated that the man had lived in Brooklyn, as most of the articles had been pawned at No. 523 Court street and No. 203 Columbia street, Brooklyn.

GIFT FROM ROOSEVELT. Oyster Bay Library Gets His Governor's Chair and Fifty Books.

OTTER BAY, Sept. 8.—The President gave to the Oyster Bay Free Library yesterday the chair given to him when Governor and also about fifty volumes of historical works.

The chair is of richly carved mahogany, backed and upholstered in red leather. On its back is a silver plate inscribed: "The State of New York, Theodore Roosevelt, Governor, 1898-1900." The President received no visitors at Sagamore Hill yesterday. He spent most of the time out of doors with his sons, playing tennis, riding and rowing.

PRETTY GIRL TOOK CLOTHES AND FLED

Florence Quigley, Seventeen Years Old, Packs Her Things and with Money and Jewelry Disappears from Aunt's Home

A general alarm was sent out from Police Headquarters to-day for Florence Quigley, seventeen years old, a pretty girl who disappeared last Tuesday.

The story of her disappearance was told by her brother, Fenton Quigley, who has been walking the streets in a search for her ever since.

The girl's father has been dead for some years, and her mother and brother live at No. 401 East Seventeenth street. Florence had lived for some time with an aunt, Mrs. Julia Reiter, at Atlantic Highlands. For a time she was in a convent, and it was thought she intended becoming a nun, but she changed her mind and went to make her home with her aunt.

On Tuesday she told Mrs. Reiter she was coming to New York to visit her mother. Mrs. Reiter telegraphed Fenton Quigley, the brother, to meet the boat at pier 8, North River, at 3:15. Fenton met the boat and waited until all the passengers had left. Florence was not on board. He went on the boat and searched the cabins, but she was not there.

Alarmed at her absence he telegraphed the aunt and received a reply saying that Florence had positively left on the boat at 2 o'clock.

Girl Prepared for Flight. The aunt then made an investigation and discovered that the girl had packed and taken all her things, even her winter clothes which had been packed away for the summer.

She had with her about \$100 in cash, a gold, open-faced lady's watch, a ring with two pearls and wore a brown skirt and jacket, a white shirtwaist and a brown hat trimmed with flowers. She is pretty, slender and has blue eyes, a fair complexion and blonde hair.

The brother says the girl is of a studious and domestic disposition, and he and his mother are at a loss to account for her disappearance. She had no love affairs that they knew of and her aunt says she had no young men callers.

Joseph Elsie Killed at Illinois County Fair When Making an Ascension and Parachute Leap—Landed in a Tree.

TUSCOLA, Ill., Sept. 8.—Joseph Elsie, an aeronaut, was killed here while making an ascension and parachute leap at the Douglas County Fair.

Elsie had already made several successful ascensions and leaps and was the star attraction at the fair. On his last trip he went up about 1,000 feet before cutting the parachute loose. When nearing the ground the parachute caught in the top of a tree and Elsie was jerked loose, falling about 100 feet. His neck was broken.
